

Baby Toolkit (0–2 years)

Brought to you by

Arabian Child Curriculum

What's inside:

Curriculum resources tailored for infants and toddlers (0–2 years)

Focus on sensory play, attachment, and early development

Daily routines, songs, and safe play activities

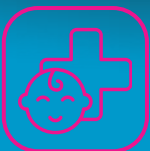

Practical guidance and best practices for caregivers

Available in printable format and mobile app

Why it matters:

Give babies the right start through purposeful care and play

Support healthy brain development in the earliest years

Empower caregivers with easy-to-use, developmentally appropriate tools

Arabic Language Toolkit

Brought to you by

The Arabian Child Approach

Turn early Arabic learning
into joyful experiences.

Building Arabic skills

Birth–6 years)

What's inside?

Lesson plans and activity guides

Use as a standalone toolkit or integrate
with the Arabian Child Curriculum.

Alphabet awareness, sound
recognition, vocabulary building,
and print-rich activities.

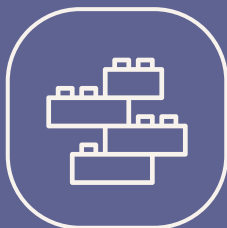

Works standalone or integrated
with Arabian Child Curriculum

Why it matters

Language Foundation

Early years are the critical window for
building strong language and literacy skills.

Identity & Belonging

Learning Arabic connects children to their
culture and strengthens their sense of self.

Islamic & Identity Toolkit

Brought to you by

Arabian Child Curriculum

A toolkit for teaching with purpose

Faith • Values • Identity • Belonging

all rooted in the early years.
